Re: *United States v. Nakia McCoy*
24 Cr 371 (PKC)

Your Honor,

I represent Ms. McCoy in the above referenced matter. Ms. McCoy has been sentenced and was ordered by this Court to voluntarily surrender to a location designated by the BOP. Notably, and pursuant to our request, this Court suggested to the BOP that Ms. McCoy be allowed to serve her sentence in a location that will facilitate family visitation. Recently, the BOP designated FMC Carswell, located in Northern Texas as the location for Ms. McCoy to begin her seven (7) week sentence.

Currently, Ms. McCoy does not have the economic ability to get to Texas and this particular designation location will absolutely prevent Ms. McCoy from having any visitation as no family would be able to visit her which may simultaneously contribute to pre-existing mental health issues. Consequently, we are requesting an additional 30 days for Ms. McCoy to surrender so that the undersigned can communicate with the BOP and hopefully convince BOP to alter the designation location. The Government does not object to this request.

Thank you in advance for your consideration related to this fluid situation.

Sincerely,

/s/ Xavier R. Donaldson
